

make a game
where the player
can only jump and move
when touching a planet
when they jump they lose control
until they hit a planet
Player has to collect all coins
to win

Player has wheels on top
and bottom of them

Pong

Controls

Add a new Player
So we have 2

Coin

Add a ball that can
fly

Up

Add Collision maybe
in the corners instead

Date for time restrictions
Car Pong

Have 2 Players

Have 2 Scores

Have easier controls

Have a timer

Remove lives

Have a break function

Have a Pause, Start at end
Screen

Date to Complexity remove 2 Scores
